FACING CANCER WITH CONFIDENCE

Special thanks to

THE PERFUME SHOP

We would like to express our special thanks to all the brands who generously donated the products in this unique and special box.

In addition, we would like to extend our sincere thanks to The Perfume Shop who have worked so hard on this project with admin and marketing support and for storing and selling this product completely free of charge. We would also like to thank our fulfilment partners Relish for keeping production costs to a minimum. **100% of the products for this box have been donated by our retail partners. Proceeds from each box will go towards funding a place at one of our workshops for people living with cancer in your community.**
